**February 2015**

Volume 23 Number 1

## **REDALE LANDFILL COMMUNITY LIAISON COMMITTEE**

Current members:

Mike Kunzli -----Chairman & Resident Liaison Officer  
John McLean ----- AC  
Nigel Donovan ----- AC  
Bob Gibbs ----- Local Resident  
Bill Earwaker ----- Local Resident  
Richard Croker----- Local Resident  
Kirk Storie ----- Local Resident  
Stephen Walker ----- Local Resident  
David Hardy ----- NHTCC  
Mark Drury ----- Peer Review Panel  
Martin Bradshaw ----- DF Primary School BOT  
Debbie Marshall ----- DF Primary School Principal  
Chris Wills ----- Waste Management  
Andy Vosper ----- Waste Management  
Rob Bailey ----- Waste Management  
Michelle Kennedy ----- Waste Management

The Committee's role is to allow issues and concerns relating to the operation of the landfill to be debated and negotiated. Should you have any questions or concerns regarding Redvale Landfill please contact Andy Vosper on 09 427 0600 or your nearest Liaison Committee member.

Members were elected to the Committee by the community or have been appointed to represent particular interest groups. **Minutes of the meetings are available for perusal at the Waste Management NZ Ltd office.** Any member of the public is able to attend and be heard at these meetings as long as prior notice is given to the Committee.

### History of Dairy Flat

The research for the Oral History is progressing well. Lynette Third the researcher & author is keen to hear from anyone who has stories, anecdotes about the area - recent, older, interesting, funny or otherwise. It's so important to have a record of everyday life. If you could contact Lynette Third it would be much appreciated.  
Ph: 09 420 4910 Mobile: 021 786 325

## **DAIRY FLAT COMMUNITY TRUST**

Current Trustees are: Ken Stirling  
John Knowles  
Julie Earwaker  
Greg Taylor  
Graeme Stubbing  
Steven Earwaker  
Andy Vosper  
Michelle Kennedy

The Dairy Flat Community Trust is a charitable Trust to administer and distribute monies provided for the Community of Dairy Flat by Waste Management NZ Ltd.

Please see our Trust website:

[www.dairyflatcommunitytrust.co.nz](http://www.dairyflatcommunitytrust.co.nz)

Should you have any questions concerning the Trust, please contact:

Chairperson - Greg Taylor Ph: 415 6643 or 426 0606  
Secretary/Treasurer - Michelle Kennedy Ph: 427 0600

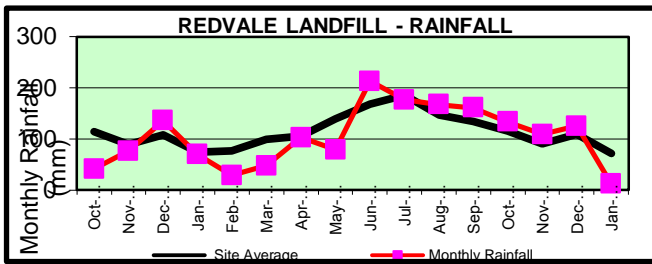

### **Congratulations to the Dairy Flat Community Groups & Individuals who were recipients of the Dairy Flat Trust funding at the end of 2014.**

#### **Groups:**

Dairy Flat Air Scouts	Dairy Flat Hall
Dairy Flat Pony Club	Dairy Flat School
Dairy Flat Tennis club Inc	Feeling Fab Trust
Hibiscus Coast Grandparents Parenting Grandchildren	
Hibiscus Hospice Charitable Trust	
Orewa Sea Scouts	

#### **Scholarships:**

Abigail van Dyke	Courtney Davies
Josh Camp	Matthias Balzat
Michael Cross	Nick Meiklejohn
Sam Olufson	Annika Balzat
Andrew Solley	Brigitte Balzat
Sara-Jane Rajwer	

**Redvale Landfill**

Landfill operations have been very busy over recent months. The annual earthworks program which was initially hampered by wet weather last year has been moving forward in the western property. The engineering works include the usual cell construction work to create new airspace, and capping of areas of the landfill up to final level, on the eastern and northern slopes. This year, a replacement weighbridge has already been installed and commissioned, as the original bridge reached the end of its service life. Prior to the arrival of the winter months, there will be some additional works carried out which include a new length of road paving within the site, as well as a new wheelwash system which will significantly improve the landfill access road conditions.

Landfill operations have been at RL100 and will continue there for some time. New compaction equipment has been ordered, the latest CAT 836K will be arriving mid-year, the first in this country, to replace one of the existing units. Taking on board the comments and concerns raised by residents during the consenting process, we have carefully considered the equipment specification and have given more attention to noise and how it can be reduced, as well as safety improvement options. The new machine will arrive with the latest in noise suppression both for the in cab operator, and external noise during operation. Going forward, all new equipment will be specified with enhanced noise suppression, where applicable.

The review of noise reduction measures from the Energy Park is also underway, and we have a design for the acoustic screen adjacent to the Blower Station. Contractors have been appointed to install the screen, which is expected to be complete by Mid-March. Detailed design of the acoustic screen adjacent to the generators is also underway.

The new Energy Park Services Building has been occupied by the Gas team, and now we have some excellent facilities to carry out 30,000hr services. These new facilities now mean we can reduce service down time by at least 50%.

We have recently initiated an Apprenticeship programme with local education providers, Competenz, to provide quality apprenticeship training and education from the team of highly qualified and experienced technicians we have here at Redvale.

**A 12.5 ton gantry crane is used for unloading the genset.**

**The engine is disassembled, the intake and exhaust manifolds, water rails, water pump, starter motor, oil cooler and electrical components are removed.**

**New liners, pistons, big end bearings, piston pins and cam followers are fitted.**

New local suppliers have been added to the extensive list of local businesses with whom we trade, encouraging support of the local businesses, where we can.

The consent renewal process is now in the appeals stage, with both parties willing to undergo court assisted mediation. It is important for all concerned to have certainty going forward, and this is the expected outcome.

Looking forward, we have held some initial discussions with Dairy Flat Pony Club for the use of a significant sized area of WM land for equestrian activities. This new initiative works in well with our overall plans to provide positive benefit to the surrounding Dairy Flat community, and we are looking forward to finalising arrangements with the club in the weeks ahead.

Andy Vosper, Regional Manager – Redvale Landfill

### **News from Local Clubs and Organisations**

Contributions to the newsletter are welcome. The newsletter is printed every three months. Waste Management accepts no responsibility for the opinions expressed in the articles submitted to the newsletter.

Please contact: Michelle at Waste Management NZ Ltd  
Ph: 09 427 0600 Contributions can be emailed to:  
Redvale@wastemanagement.co.nz

### **Dairy Flat Tennis Club**

Dairy Flat club offers 4 excellently surfaced astrograss courts all with lights. We now have a ball machine which full club members buying a clubhouse key can use at any time when courts are free to help lift their game. The reason it is such a friendly club I realise is that the subs are so low. What are you waiting for.....further information and contacts in free flyers available at clubhouse door.

Stuart King 021 271 5354 or 09 412 9654

**FREEMASONS**  
of New Zealand

**LODGE ALBANY NO. 442**

For information contact the Secretary,  
Peter Colbourne, Ph: 09 426 9261.

Can I help?

Hi, I am a Dairy Flat mature student commencing a coaching course. As part of the course requirements I need to undertake practical case studies. I am looking for people who are considering changes in their lives and who would be prepared to work with me over 6-10 weeks.

Whilst I practice my coaching skills, you would benefit from working through some structured thinking about what the next steps are for the changes you might want to make. Coaching can be on any topic of your choice such as a personal matter, the next stages of your life or a workplace situation. Sound like something you think could be beneficial? I would love to hear from you.

Please ring Gill on 426 4334 or email me at [kjstorie@xtra.co.nz](mailto:kjstorie@xtra.co.nz)

### **A look at the Books**

We are now well into the second term of Auckland Council, and it is timely that we take time out to review the past and consider the future.

Whilst I was not in favour of Amalgamation, it was, however, the chalice and the mechanism which central Government forced upon the Auckland region with the lure of lowered rates, improved services and simply economies of scale. Well the savings through economies of scale have not been realized, promises have been broken and now we are being asked to support a general rate increase of 3.5% p.a. when previously 2.5% p.a. had always been the pre-determined maximum in any one year. In light of this I think we should all be saying No! in the long term Plan submissions.

Auckland Council and its other interests expect to receive \$3.5 billion in 2015/2016 year as income, yet it is proposing to spend in excess of \$4.0 billion each year over the next 10 years. The shortfall will be met by rate increases and more borrowing. This is not what we signed up for. Now is our time to express out disapproval to this suggested Auckland Long Term Plan.

Auckland is proposing to spend \$17 billion on new capital spending (new rail, property, roads, parks etc) over the next decade. As an elected representative and Financial Planner, I say no because our books are not balanced, we still have excesses within Council and changes have not occurred within this central model. Council needs to keep to its core competencies.

I liken it to a freight train gathering speed on an old rail line. The rail line has not been serviced for some time, the underlying infrastructure is suspect, innovation and overhaul have been lacking in Council, cuts have not been made to internal costs, and efficiencies are certainly not evident. We are certainly not getting more for less as was promised and now opposition is needed.

Have your say. We have until Monday 16 March 2015 to voice our views either by feedback on social media @aklcouncil and # LTP2015, or a Council consultation document online at [shapeauckland.co.nz](http://shapeauckland.co.nz), or by email [longtermplan@aucklandcouncil.govt.nz](mailto:longtermplan@aucklandcouncil.govt.nz).

I think it would be good if we all said 'No' to more new expenditure!

John McLean  
Rodney Local Board (representing Dairy Flat)  
Auckland Council

### **Dairy Flat Cubs**

Diary Flat Cubs kicks off the year with a fantastic four night Waitawheta summer camp which is located near Waihi.

This camp enabled children to experience a year's worth of cubs' nights over four days which is quite an achievement.

They learnt a whole lot of outdoor skills including how to put up tents, tying knots, kayaking, make fire safely etc. Meeting other cubs is fantastic and a particular highlight is swapping badges.

Anyone who is interesting in becoming a leader please contact me, it is such a wonderful experience and we have a great group of parents who support the session.

We plan a jammed pack term with Founders Day which is where all the sections get together and have fun building rafts at Browns Bay beach on 1 March. Also there is a one night Zone cub camp with up to 200 other cubs...

### **Feeling Fab Trust**

Our organisation is focussed on bringing joy and support for those women who have suffered grief and loss.

Our programmes are designed to bring a special gift to these women and making a difference to those who have attended our Pamper Days.

The word pamper is used to communicate to those in need, an opportunity to be cared for, through a day of nurturing that renews the sense of self. Our programme draws on the basic nurturing principle of Mana Atua, wellbeing.

Our longer term goal is to take our programme to small towns and rural communities and a wider inclusive range of participants.

Should you have any questions at all, please feel free to contact Elizabeth York our Director at 4211881 or 0211373155.

It is our privilege to be able to assist our women participants and make a difference to them at a stressful transitional time in their lives.

Arohanui,

### Dairy Flat School

We are pleased to welcome back all our fabulous students and their families and welcome in a number of new families as well. Teachers and students have all had a restful, fun packed break and have returned to school energised, excited and ready for all the exciting learning opportunities that will be on offer this year.

Over the holiday period there has been a lot going on at school. We have upgraded the car park and made some changes that will mitigate our traffic and parking issues. We greatly appreciate the donation from the Dairy Flat Trust which funded this project. A number of trees on our north eastern border have been felled by our neighbour, Steve Thomas. We are grateful for his teams work in this area. There is now more light in this part of our playground. A big thank you to Ruth and Grant Amos, from Silverdale Landscape Services Ltd, who volunteered their manpower to rid the school property of Privet, a nasty and prolific tree which causes allergies and irritates breathing for some people. We are very grateful for their hard work in ridding the school of this nasty plant. Another community business, Jim's Tree Stump and Removal, have chipped all the previous storm trees and cleaned up around our tanks. The chipped material has been left for our school gardens. Many thanks to Brendon Jones for his support.

This year we are continuing our development of more flexible teaching better suited to the changing needs of this generation of learners. We have a professional facilitator working with all teachers to further improve the excellent teaching and learning in the school.

We are continuing to our focus on our Inquiry projects. Students will be working on projects around a theme each term and teachers will continue to have a focus on catering for students, being mindful of their individual talents and needs. We are also including real life problem solving as part of these studies, beginning the year with a look at transport. Senior classes, in particular, will be looking at the local issues and issues in transport for the wider Auckland region as part of this project.

This year we are extending our project learning by introducing a 'Friday - Venture Activity' opportunity for students in years 3-6. Students will have the opportunity to complete projects around issues and/or topics that they are personally interested in. These projects will be put together with guidance from teachers.

We encourage students to bring their own devices to school though this is not compulsory. I am excited by the learning opportunities we can offer students this year and can't wait to get 2015 underway.

Debbie Marshall

### Greenpark Preschool

Term Four 2014

This term the children and teachers looked forward to contributing to the Dairy Flat School Ag Day. Children previously had had an interest in mermaids so the idea of putting together an art exhibition of pirates and mermaids was well received. The children worked on a large cardboard pirate ship and mermaid island which all came together nicely. The children, teachers and families of Greenpark were very proud of our contribution.

Following Ag Day our focus switched to 'People who help us' there was lots of discussion with the children about who in our community was there to help us. We were very grateful to have one of our Dads come into the centre and talk to us about being a Police Man and a previous Preschool family come into to talk to us about nursing. These outside experiences are priceless to our children.

Next came the joys of orphan lambs joining the Greenpark Family, the perfect learning opportunity about caring for our four legged friends. Not to forget our own Lizzie (the not so lamb) having her own Lamb! All very exciting!

Along with the spring lambs came the chirping of cicadas in the willow trees and watching the monarchs flitting through the centre finding somewhere to lay the next egg which leaned our outdoor exploration to the much encouraged bug hunts, communication, stories and art.

Our B45 school programme has again had a very successful term seeing 4 of our friends off to school confident and ready for their next chapter. The children particularly enjoying cutting and letter recognition skills.

Although the weather is unpredictable at the best of times the children have experienced new outdoor play equipment and built on their own strengths and abilities in the playground with the monkey bars proving to be popular. We very much look forward to some more sun shine in the New Year to continue our enjoyment of water and sand play and picking some fresh berries from our berry patch.

Soon our focus turned to celebrating Christmas and the joys that Christmas art and stories bring us. This term we provided our parents and families with a 'home made' Greenpark song with matching costumes, we had a lovely family picnic and of course Santa brought us some goodies!

Greenpark is closed from the 19th December 2014 - 19th January 2015 however we can be contacted on 09426-3342 for any enquiries.

We thank everyone for their support this year and are very much looking forward to some new and fresh adventures at Greenpark in the New Year.

Have a safe and happy holiday The Greenpark Team

### **BOXFIT CLASSES**

#### **Get FIT without Getting HIT**

Want to lose weight and tone up? Reduce stress levels? Incorporate bodyweight exercises?

#### **NEW YEARS CLASSES HAVE STARTED - DROP SOME BODYFAT AND GET FITTER NOW!**

Our popular **BOXFIT** classes utilise a combination of easy to follow exercises, using gloves and pads to get an all over body workout. You'll improve your fitness and increase muscle tone, while doing a fun group-based workout. No experience necessary - give it a try and see the results for yourself!

**WHEN AND WHERE:** 6.00pm Mondays at the Dairy Flat Hall.

Contact Diana Flynn, Certified Personal Trainer/Certified THUMP Boxing Instructor on 0274 888 768 or [diana.flynn@xtra.co.nz](mailto:diana.flynn@xtra.co.nz)

**BRING THIS ADVERTISEMENT WITH YOU FOR A FREE TRIAL (newbies)**

### **Silverdale Squash Club**

For juniors, tuition is still being run by the club's coach on Friday evenings - so if anyone under 16 is interested, email the club at [tonyforde@hotmail.co.nz](mailto:tonyforde@hotmail.co.nz) or see our Facebook page.

We are always looking for new members - new to the game or experienced. Come along to Club Night on Thursday evenings 7.30 onwards and give it a go. For more information contact the club president Tony Forde at [tonyforde@hotmail.co.nz](mailto:tonyforde@hotmail.co.nz)

### **DAIRY FLAT COMMUNITY HALL**

#### **HALL HIRE**

Go to our web site [www.DairyFlatLive.com](http://www.DairyFlatLive.com) for details or call 09 42 69 825.

#### **FRIDAY NIGHT LIVE MUSIC - EVERYBODY IS WELCOME**

First Friday of the month **Dairy Flat Live Blues Club 8-11.30pm licensed Bar**, light supper provided and sorry No Eft-pos

Second and Fourth Friday of the month **Stetson Club 8-11.30pm, Licensed Bar** and supper provided and No Eft-pos.

Third Friday of the month **Jam/Club night Music Club 7.30-11.30pm**

### **Waitoki Plants - 11 Sharon Rd**

**Waitoki, RD1 Kaukapakapa 0871**

#### **A WORD ON WATERING.**

Happy New Year to you all!

Hot and dry to say the least! Everyone is starting to feel the strain, not to mention the plants. Fierce sun can mean sunburn all round, showing up as leaves burning in the middle and on the area most exposed to the sun. Remedy; choose a species suited to open exposed sites, *Astelia banksii*, Hebe, flax, *Libertia*, *Pimelia*, *Coprosma* etc.

Soil moisture is very low and plants are certainly starting to show signs of lack of water. Well mulched areas are considerably better off than areas of bare earth, which are badly cracked, areas with a good soft mulch layer are much better at absorbing any moisture offered them.

Best times for watering are of course first thing in the morning or in the cool of the evening. Plants that are subject to mildew such as courgettes are best watered in the morning so the moisture isn't sitting on the leaves all night creating an ideal environment for mildew. Watering in the middle of the day is the least effective, also make sure if using a sprinkler that the water is getting at the right places, i.e. not running off down a path into a drain.

A rough guide for shallow rooting plants, such as annuals and the vegie garden, is to water deeply three or so times a week, perhaps more if particularly dry and the plants are young. I've planted sunflowers in the vegie patch in the past to provide much needed summer shade, reducing water requirements and having the added bonus of sunflower seeds for me or if I'm too lazy to hull them the chooks, not to mention those that go to the local wild bird population, they also look great!

Newly established trees and shrubs may need watering about once a week if they have been selected to suit existing conditions. Factors such as wind, sun, and soil type obviously need to be taken into consideration.

Don't forget to keep the bird bath clean and topped up with water. Birds do a tremendous amount of good in the garden, and there is little moisture about for them to drink. I put a shallow bowl of water in the garden for a couple of Australian bell frogs I found yesterday, not sure if they will use it but the offer is there.

Here's to some decent soaking rain!

For plants and advisory service you can contact me:

### Silverdale Pony club

We have had a great start to the 2014/2015 season.

Our grounds are looking fantastic, thanks to the hard work of our members.

A BIG THANK YOU to the Dads who have been busy rolling, mowing, replacing gates, moving our old sheds, and getting our new container in place. Your time and effort is very much appreciated.

We have had record numbers at our very popular Funday's. These events are a great family day out, and enjoyed by all who attend. We have our last one for the season on March 8<sup>th</sup>, so come along and join in the fun. There will be spot prizes, BBQ, baking, coffee and good company.

We also recently held our Pony Club camp at Awhitu, where both horses and riders enjoyed trekking over farmland along the west coast, (the views were amazing) galloping along the beach, and swimming with their horses.

If you are looking at joining a Pony Club, Silverdale Pony Club is the club for you. We are a fun and family orientated club who pride ourselves on offering good teaching practices and a warm family environment.

So come along to one of our rallies at 124 Green Road on Tuesday nights 5:30pm and talk to our coaches and members to see what we have to offer.

Any Enquiries, please phone our President Cathy on 09 426 6309

### North Harbour Sports & Country Club Inc

1235 State Highway 17, Dairy Flat

### Fitness League n z

Classes have resumed after our Christmas break, and we are all keen to catch up with everyone and get moving again. Achieving correct posture and balance are both important, so this is always included in the class plan.

There is no age limit to our class as everyone works at their own level, so if you would like to come along and see how we work, you would be most welcome.

My classes are held at Silverdale hall on a Monday at 10-11am and at Albany hall on a Wednesday at 9 30-10 30am.

If you would like more information please contact me on 09 424 0402 or email [olivem@clear.net.nz](mailto:olivem@clear.net.nz)

Olive Morrison

## CRAFT CONNECTION

### Shore House Sitters

#### Going Away This Summer?

#### Wondering who will feed the cat, walk the dog, check on the horses, move the sheep...?

Having a house sitter can have many benefits including:

- Happy, stress-free pets, looked after in their own home with all of their usual comforts, cuddles, warmth & walks.
- Secure home, with that lived in look; the lights are on, a car in the drive, washing on the line, the letterbox cleared.
- Keeping it green, your plants and lawns can even enjoy some attention to keep them looking lush.

We are Carrie and Paul, taking pleasure in looking after a variety of families and homes around Auckland for the last 18 months including life style blocks in the Rodney District. Fond of animals, we have been companions for cats, dogs, horses, cows, sheep, goats, chooks and the family gold fish.

Carrie works part time in Albany whilst Paul is setting up a home based internet business. Together, we work as a team to make sure your place is secure with someone around much of the time whilst your furry family members get all the love and attention they want.

If you're going away call us for a meet & greet, we'd love to meet your family and discuss your needs.

Looking forward to hearing from you soon,

Carrie & Paul
