VDI scale for reporting an odour complaint.

Feedback or Odour complaints can be reported to Redvale Landfill through three different methods,

1. Email redvalecomplaints@wastemanagement.co.nz
2. Phone call 09 427 0600 or 021 190 2018
3. Text message 021 190 2018

To work with us, please provide constructive feedback only, which includes the following information,

1. Time and location of the odour
2. Type of the odour
3. Character and intensity of the odour
4. Frequency of the odour – how often it occurs, duration of the odour and time of exposure.

VDI scale example below on how to classify odour intensity.

Odour Intensity

Odour Intensity: The perceived strength of an odour above its threshold. It is determined by an odour panel and is described in categories that progress from “Not perceptible”; “Very Weak”; “Weak”; “Distinct”, “Strong”, “Very Strong”, to “Extremely Strong”.

The best way of assessing odour is via the human nose. But everyone reacts to odours differently. One person may object strongly to an odour while another is not bothered by it. The only objective method to assess odours is a calibrated nose that has completed Olfactometric measurement.

Frequency Scale

Odour frequency: The perceived duration of time or exposure experienced.

Our Wellness Programme provides a safe, nurturing environment for those who have faced bereavement, trauma or loss, to experience the love and support that is so often missing during the seasons of grief. Our programme offers the opportunity to meet others who have had similar experiences and our team has huge hearts and understands that those grieving need tender loving care in a safe environment.

We have provided this much-needed service in our local area (including Dairy Flat) for seven years now and we have been consistently told - and seen and heard for ourselves - how vital our programme is for those travelling along their journey of grief. A huge thank you to Waste Management for the unconditional use of their rooms and the support of the Dairy Flat Community Trust.

We now have teams in Dairy Flat, Warkworth, Mangawhai, Dargaville, Rodney and Wellington. We are growing rapidly as we cover the whole of Auckland and we really need your help in being able to continue our programme. If you would like to volunteer, please contact us at volunteers@feelingfab.org.nz. We need help with admin work, committee members, hair stylists, makeup, nails, general help (and sometimes reiki and massage), organising food, support people on the day etc).

We are also now doing Men's Days, which is much needed, our first one was a huge success. We need your support and help to keep our programme afloat - not just volunteering but also sponsorship and funding opportunities. We have had the honour to work with Red Beach Hospice, Harbour Hospice, Women's Refuge Rodney, Sweet Louise, Race 4 Life and Grandparents Raising Grandchildren, just to name a few throughout our Rodney area.

Please check out our Facebook and Instagram pages and our website (www.feelingfab.org.nz) for more information, for testimonials, live-streamed videos etc.

WE NEED YOUR HELP!! Please email us at hello@feelingfab.org.nz, or PM us via our Facebook page if you would like to discuss this further. Thank you, from Elizabeth and the FF Team.

Kind regards,

Elizabeth York

Toastmasters

Guess what's in Ben's travel bag?

In his farewell speech at Riverhead Toastmasters Ben described the somewhat diverse range of items he had packed in his travel bag. And I'll bet its not what you would expect. Ben and his wife are heading overseas for adventure, without a long-term plan, ready to go where the wind blows. In Ben's bag is;

1. His favourite 'Hemp Hat'
2. A 'slack-line' to practice balancing
3. Maui Thai Boxing gloves
4. Set of 'Taco-Cat' playing cards
5. Ukulele
6. Surf board (carried separately)

Toastmasters helps YOU to become more confident in speaking in public. Great for business and personal opportunities in life.

Ben has been a very popular member of Riverhead Toastmasters for the past twelve months, achieving his Toastmasters Certificate of Mastery on the same night.
Ben is pictured here with founder Tina and VPPR William.

TEXT Paul at 027 291 7989 if you would love to come as a Guest to the next meeting on alternate Tuesdays at 7.10pm - Riverhead Hall

"Life begins the day you start a garden!"

In her recent speech Maria shared the challenges and the rewards having made a decision to start a 'garden' at the family batch in Russell. The project, inspired by her husband's creativity, became a much larger project than intended. But the outcome has been wonderful.

Maria, passionate about helping others gain confidence in speaking, asserts "Gardening is far cheaper than therapy!"

You can meet and hear informative speeches through an interesting cross-section of your community at Toastmasters. And in the process, you yourself can enjoy sharing, and become a much more confident and skilled speaker!

Come to the next session in your area; Riverhead Hall, 7.10pm, Tuesday 20th Feb
