AD

General Business:

Discussion on the gas generation and future plans. Work is ongoing as to the overall development of the Energy Park going forward. Several of the existing engines are approaching the end of their life.

Planning Matters – WM were approached by a company, Hibiscus Tanks, who are proposing to purchase 63 Richards Road. They are looking to relocate their concrete tank manufacturing process from Silverdale (in Atlas Concrete site) to Richards Road.

WM view this development as compatible with its activities at Redvale and will support the application provided an easement/covenant is agreed and entered into between Hibiscus Tanks and WMNZ. Timing of the application/submission to council is unknown.

Meeting closed: 8:15pm

Next meeting dates:

15th May

14th August

13th November
